NOTICE OF RECLASSIFICATION
RAND-PETERSON LEVEE DISTRICT
HARRISON AND POTTAWATTAMIE COUNTY, IOWA

To: Landowners, encumbrancers, lien holders, unknown heirs and claimants by will, and to all others to whom it may concern, including actual occupants of all the lands within Rand-Peterson Levee District, Harrison County, Iowa.

YOU AND EACH OF YOU ARE HEREBY NOTIFIED that the Board of Trustees, Rand-Peterson Levee District, Harrison County, Iowa, appointed a Classification Commission, as provided by law, for the reclassification of the Rand-Peterson Levee District, Harrison County, Iowa. The classification commission has filed its report with the Harrison County Auditor in Logan, Iowa and Pottawattamie County Auditor in Council Bluffs, Iowa. The report fixes the percentage of actual benefits and makes an equitable apportionment of costs and expenses of the repairs or improvements required in this District. The apportionment is based upon the valuation of each parcel made by the Harrison or Pottawattamie County Assessor's office, with adjustments to the apportionment made based upon depth of flooding of each individual parcel. The apportionment is also based upon an aggregate estimated cost and expenses for the levee district of \$69,467, and a total aggregate valuation for the levee district is \$290,663,144. Each tract of land and each land improvement in the levee district was assessed for its pro rata share of the costs and expenses based upon the ratio that the valuation of each tract of land and improvements bears upon the total valuation of all lands and improvements within the levee district.

RECLASSIFICATION is shown in the Classification Commissioners' report on reclassification of benefits for each of the 40 acre tracts or other tracts in Rand-Peterson Levee District, Harrison and Pottawattamie County, Iowa. All schedules are set out in full herein below.

YOU ARE FUTHER NOTIFIED that the assessment schedule sets out a classification and assessment which shall be the basis for future repairs and improvements made in this District. The Rand-Peterson Levee District Board of Trustees has tentatively approved the report

as filed and has fixed the time for hearing on said report for **January 9, 2019 at 2:00 p.m. at the Methodist Church in Modale, Iowa.**

YOU ARE FUTHER NOTIFIED that all objections to the reclassification report must be in writing and filed with the Harrison County Auditor or Pottawattamie County Auditor at or before the time set for the hearing. At said hearing the Rand-Peterson Levee District Board of Trustees shall hear and determine all written objections to the report, and may affirm, increase or decrease the percentage of benefits or apportionment of costs and expenses made in the report against any tract of land in the District, as may appear to the Board to be just and equitable.

YOU ARE FURTHER NOTIFIED that at such hearing, the Board may hear evidence both for and against the approval of the report or any portion thereof, but it shall not be competent to show that any of the land in the district assessed for benefits will not be benefited by such repairs or improvements to some degree. Any interested party may be heard in argument by himself or counsel.

YOU ARE FINALLY NOTIFIED that if you fail to file a written objection the Board of Trustees could make a final decision, increase your assessment and reclassify your land and as a consequence of your failure to object in writing you would lose your right to appeal a decision within 20 days in the Iowa District Court in Harrison or Pottawattamie County.

THIS NOTICE is published and mailed as provided by law at the direction of the Board of Trustees, Rand-Peterson Levee District, Harrison County, Iowa. For further particulars you are referred to the Report of Commissioners, Classification of Benefits, Rand-Peterson Levee District, which is on file at the County Auditor's Office of Harrison and Pottawattamie County, Iowa. Dated this 11th day of December, 2018 in Council Bluffs, Iowa.
